

Florida Keys Watercolor Society

The Florida Keys Watercolor Society's mission is to promote the fine art of watercolor through fellowship and education with our members. With a focus in art appreciation, education and sponsor opportunities, our goal is to welcome all artists from beginner to master and encourage artist growth and community involvement in the cultural art community in the Florida Keys. Our annual judged show in March coincides with the Marathon Community Theatre's Spring Musical. Our annual workshops and paint outs are a great way to get started with watercolor painting. We hope you can join us for an exciting year of new opportunities!
